Seeding: The Individual State Wrestling Tournament will be seeded by the State Wrestling Committee based on approved criteria that places primary emphasis on the wrestler's finish in their conference qualifying tournament, head to head competition for the current season, followed by a point system determined by a list of criteria approved by the SWC.
1. The SWC will use Trackwrestling and the seeding criteria to rank all 24 place winners from the qualifying tournaments. Once the top 16 wrestlers from the list of 24 are identified and ranked, they will be seeded under the current seeding process.
  2. The top four place winners from each qualifying tournament will be guaranteed a seed, but overall ranking within the top 16 will determine their seed.
  3. For the initial seeding, the most that any qualifying tournament can send would be eight representatives. Once the eight representatives from one of the qualifying tournaments are seeded, the remaining representatives from the other qualifying tournaments would be seeded.
  4. The SWC will designate the 17<sup>th</sup> to 24<sup>th</sup> ranked wrestlers as alternates to be used in case there are scratches. The alternates would be added by the rank order of the committee without regard to the qualifying tournament.
  5. If a wrestler scratches, the wrestlers ranked below the scratched wrestler will move up one seed and the alternate becomes the 16<sup>th</sup> seed. The bracket will then be adjusted.
    - a. All scratches should be reported as early as possible to allow the alternate wrestlers to prepare. Alternate wrestlers should maintain their weight in case a scratch does occur.
    - b. All scratches must be reported to the SWC Chair, Buddy Lloyd, by 7:00 PM on Thursday, February 24. Contact information: 302-222-8206 or [buddykeene@gmail.com](mailto:buddykeene@gmail.com)
- E. Tournament pairings will be determined in accordance with the procedures outlined in Rule 10 of the National Federation of High Schools wrestling rules book. A competitor must be defeated twice in order to be eliminated. The top eight place winners will be determined via competition.
- F. Participants are expected to meet the eligibility requirements as outlined in this tournament manual for consideration of selection to the championship. DIAA strongly encourages all interscholastic participants to diligently adhere to the risk mitigation strategies as advised to help prevent the spread of COVID-19.
